# This Is It . . .

If there was a word to sum up the past year, it would be sensational. After all, the year was sensational. We had a victorious basketball team, a fine following of the team by the fans, and the football team was as successful as they were many years in the past. So, without further ado, This Is It!

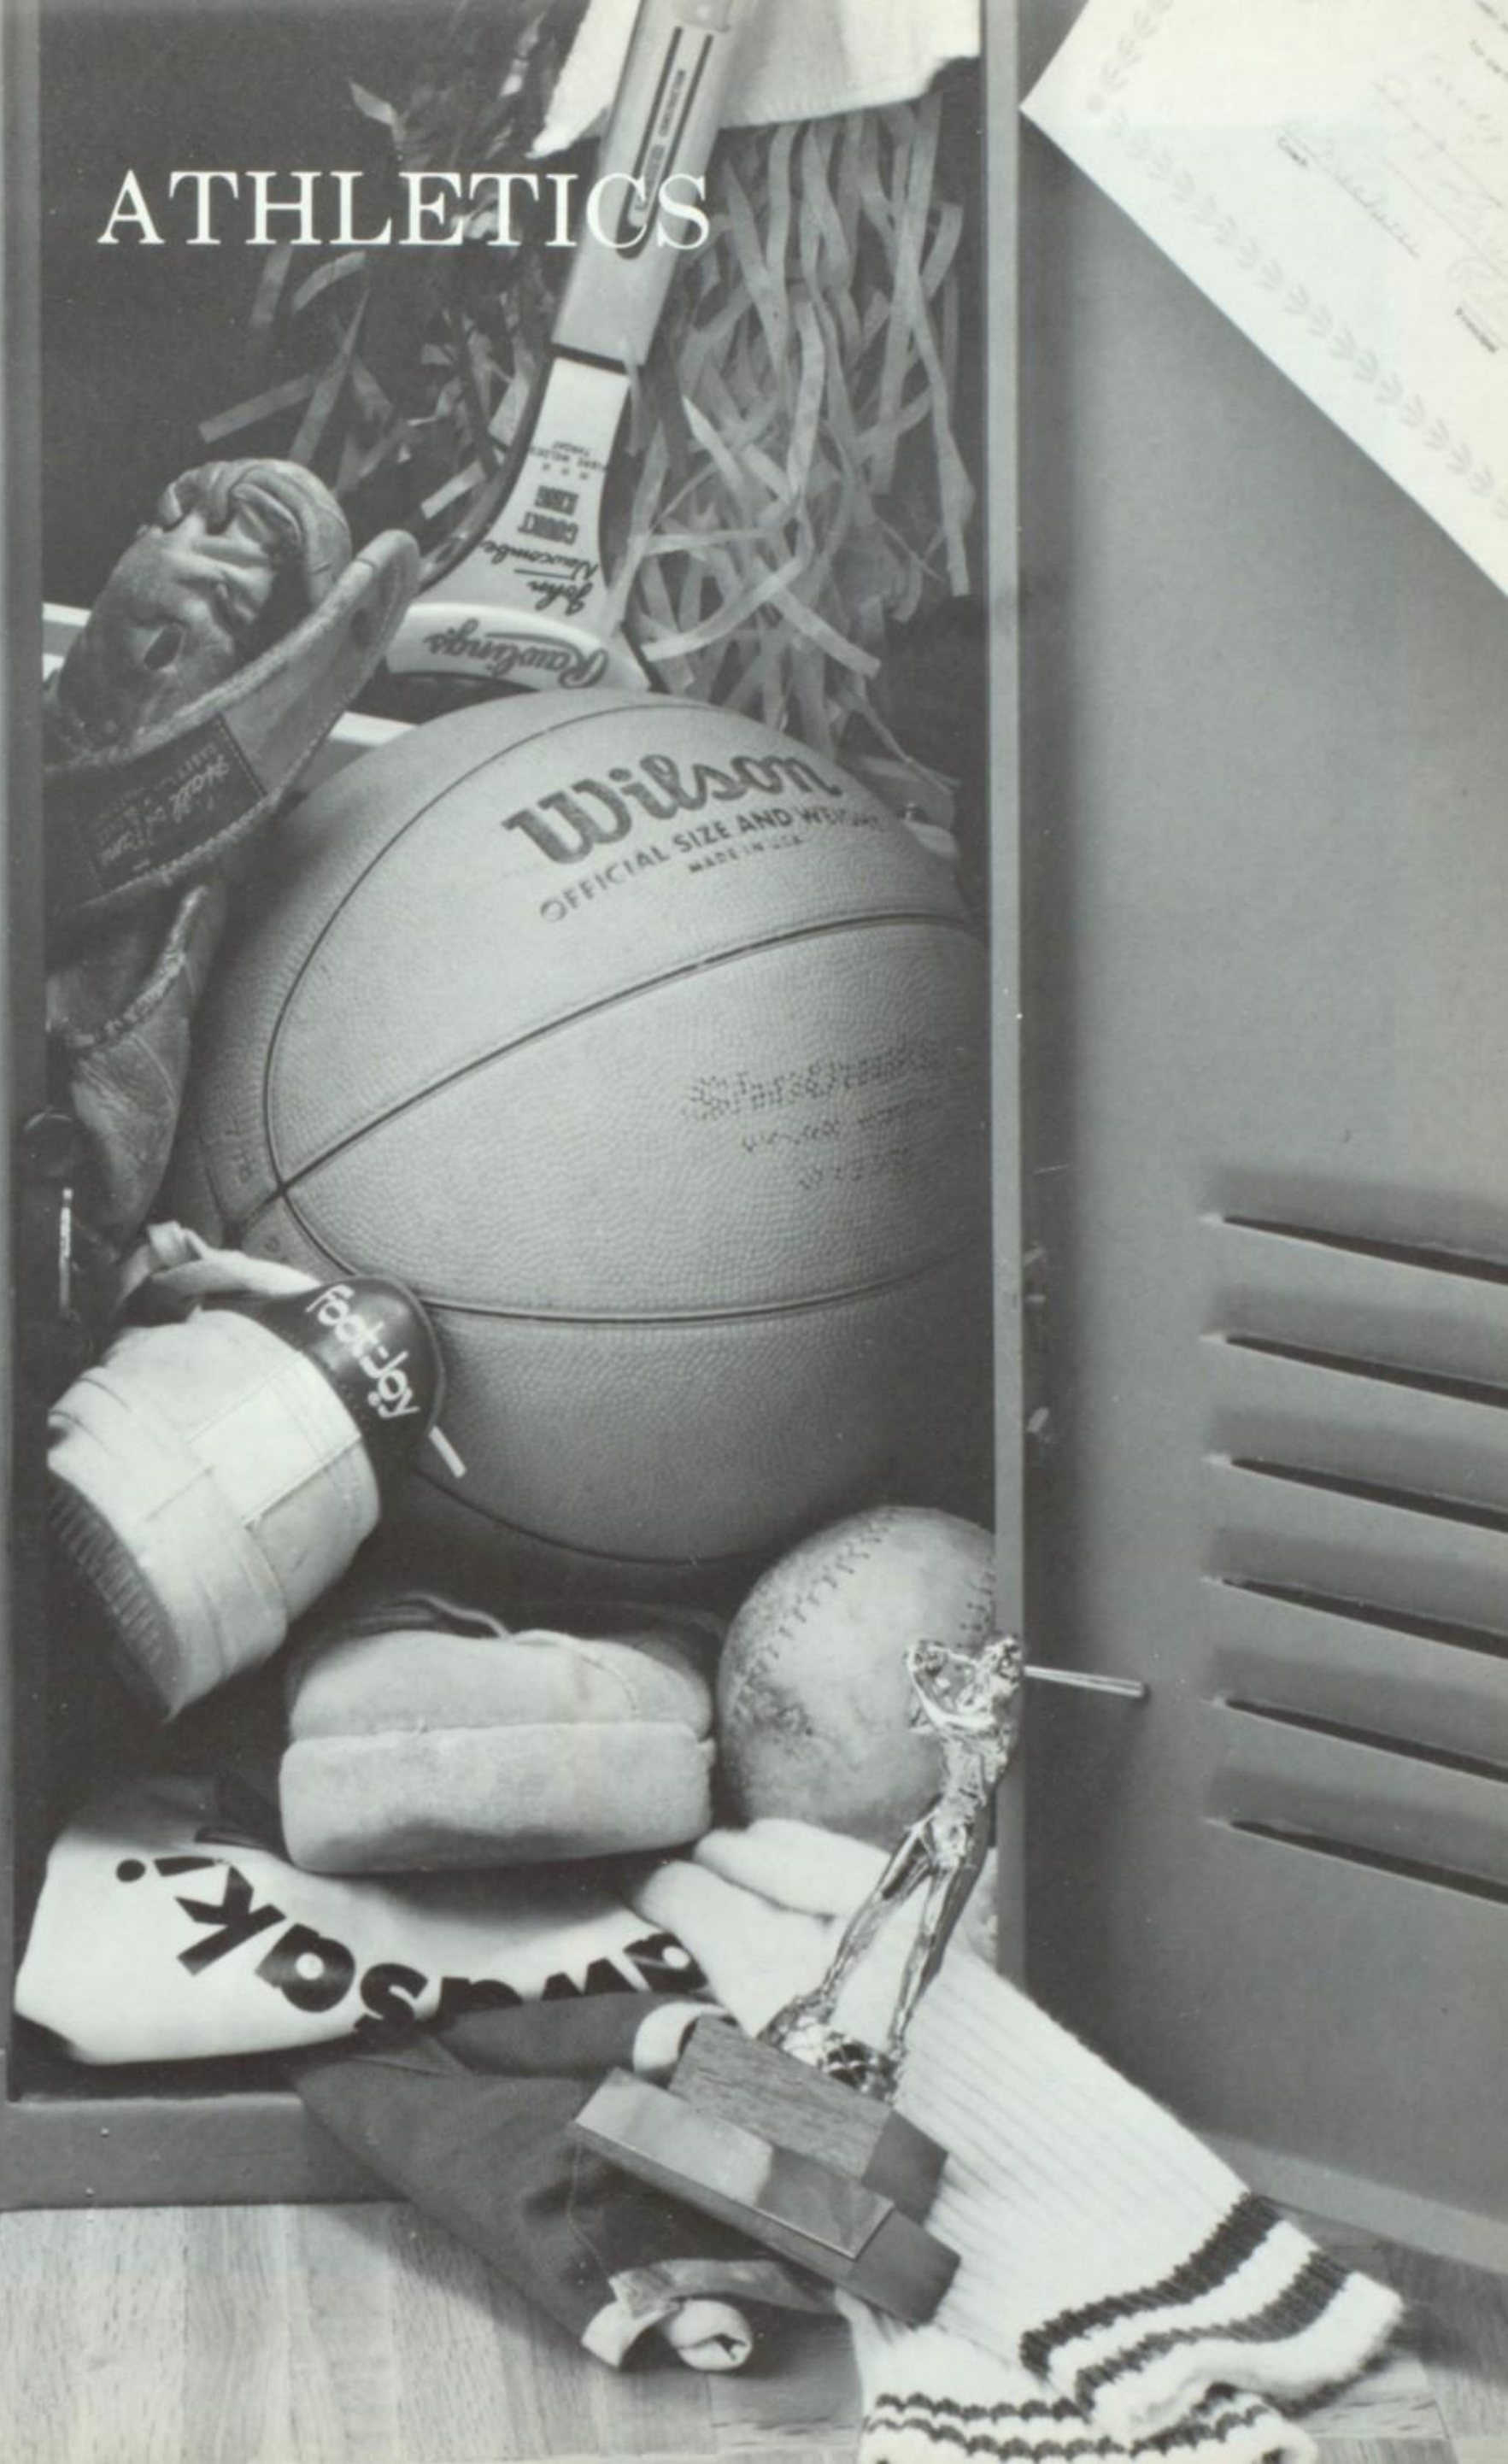

# ATHLETICS

The 1985 varsity football team had a super year. They ended the year with a 13-7 win over Johnsburg, having a 4 and 5 season. The name of the game was defense, with Jeff Sorensen, Mike Weishaar, and Jim Bimmerle as leading tacklers. The Seniors of the football team appreciate the fine coaching job done by Coach Kelly Camp and Coach Fred Harm.

Good Job Coaches!!!

The Freshman Football season was a successful and enjoyable one for players, coaches, and spectators alike. Playing a very tough 9-game schedule, the freshman team came out on the winning end of seven of those. Their success was a result of much hard work, determination, and a positive attitude toward winning. Highlights of the season included: a 20-0 victory over Grayslake, and a 50-20, season-ending romp of Johnsburg. We can only hope that this success and positive attitude will carry on to the higher levels of competition, resulting in playoff appearances and, who knows, maybe a state Championship!

# ORGANIZATIONS

## Yearbook Staff . . .

This year's yearbook staff was unlike any other (in many ways), especially in that this was the first year that the book was worked on during different hours. The year was a productive one. The staff was motivated and showed their creativity on every page. What follows is a typical conversation characteristic of each member of the staff.

*Sean:* Mr. Reed, is it okay if I go to . . .

*Karin:* I have to go to the band room this hour.

*Tom:* Can I hit it? Come on. Just once?

(Girl walks in, as she does daily.)

*Dave:* She wantz the attendance.

*Keith:* What a dolt.

*Gary:* Keith, you're a Moral Degenerate.

*Keith:* Gary, you're inept.

*Don:* When love ends, common sense begins.

*Bob:* That has a multiple effect. I like that word, multiple effect.

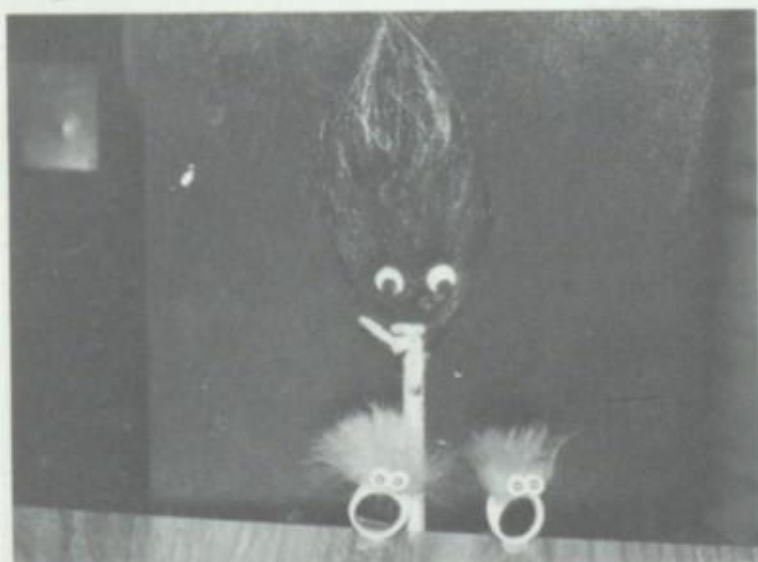

*John:* Let's rebel.

*Mr. Reed:* Get me out of this asylum!

This year's Marengo chapter of S.A.D.D. had a large membership of 270 students, so it was impractical to have a photograph of the entire group. The officers and adviser planned and accomplished several things during the year. The officers would like to thank all those students who were a part of the group and who participated. The group had an additional and special thank-you to the adviser, Mr. Poppe.

This year the MCHS chapter of AFS (American Field Service) hosted two exchange students. Nobue Kadowaki (Japan) said, "I was surprised to find that the students can wear what they want." She also commented on how free and independent we are in America. Luis Brizuela (Paraguay) said, "Before I came here, I didn't speak any English, so I had some trouble." Luis thinks the snow is pretty, but he doesn't like the cold. He plans to study medicine or electronics when he returns to Paraguay. Among other things, the AFS club hosted an AFS weekend, when exchange students came from other cities and stayed in Marengo for the weekend.

# This Was It

The year was good

And it was bad.

We're happy to leave,

And yet we're sad.

Our school year is now behind us;

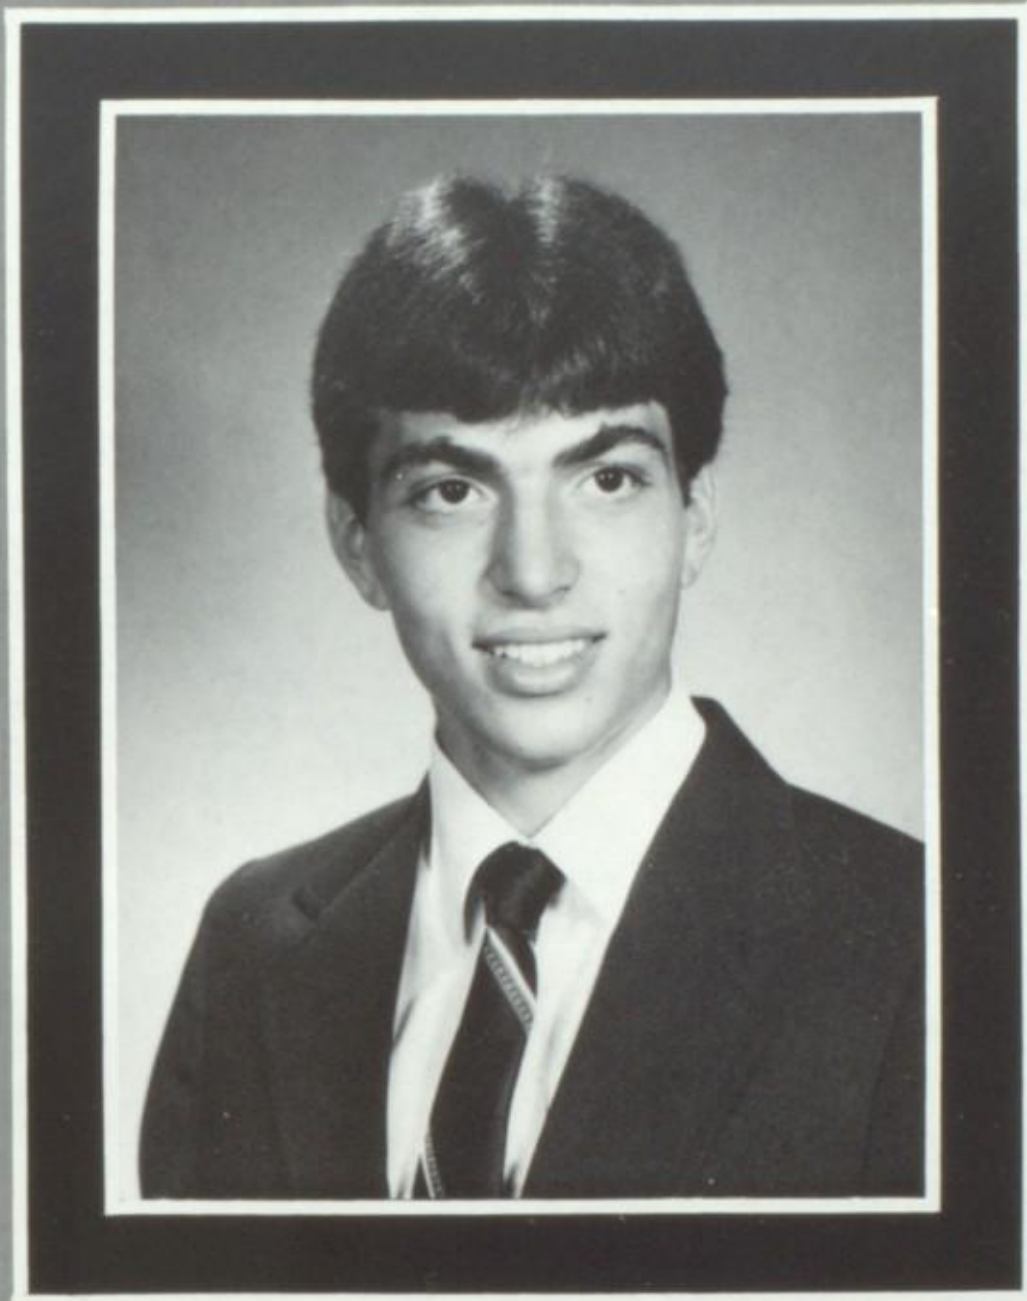

We welcome the future with open arms

And greet the days ahead with all trust.

The year is over; This Was It . . .

# In Memoriam

On Monday, June 23, 1986, Keith Braun lost his life in a tragic swimming accident. To his memory we fondly dedicate this yearbook, which Keith helped to produce.
